TIL

Technical specifications TIL Work

TIL Work is designed as a flexible touchdown workstation for open-plan offices. It provides additional workspace without looking like a conventional desk. This makes it ideal for desk-sharing zones, project spaces and areas for temporary work.
The open cable channel deliberately avoids complicated flaps and covers. Cut-outs make it easy to attach monitor arms or desk lamps. TIL Work remains functional, robust and adaptable - a workstation for teams that take flexibility and design seriously.

Dimensions

TIL Work 240	Width: 240 cm, depth: 142 cm, top height: 75 cm
TIL Work 360	Width: 360 cm, depth: 142 cm, top height: 75 cm
TIL Work 480	Width: 480 cm, depth: 142 cm, top height: 75 cm
TIL Work 540	Width: 540 cm, depth: 142 cm, top height: 75 cm
