TIL

Technical specifications TIL Meet

TIL Meet is designed for meetings, workshops and project-based collaboration. The two-part tabletop creates a clearly organised surface, while the open cable channel provides easy access to power, connections and accessories.
The folded steel U-profile forms the structural backbone of the table. It supports the tops, houses the technology and defines the minimalist design. TIL Meet is available in two versions: a classic meeting table at seated height and a standing table for short meetings, workshops and dynamic interaction.

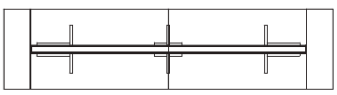

Dimensions

TIL Meet 300 — Width: 300 cm, depth: 122 cm, top height: 75 cm
Cable channel length: 220 cm

TIL Meet 380 — Width: 380 cm, depth: 122 cm, top height: 75 cm
Cable channel length: 300 cm

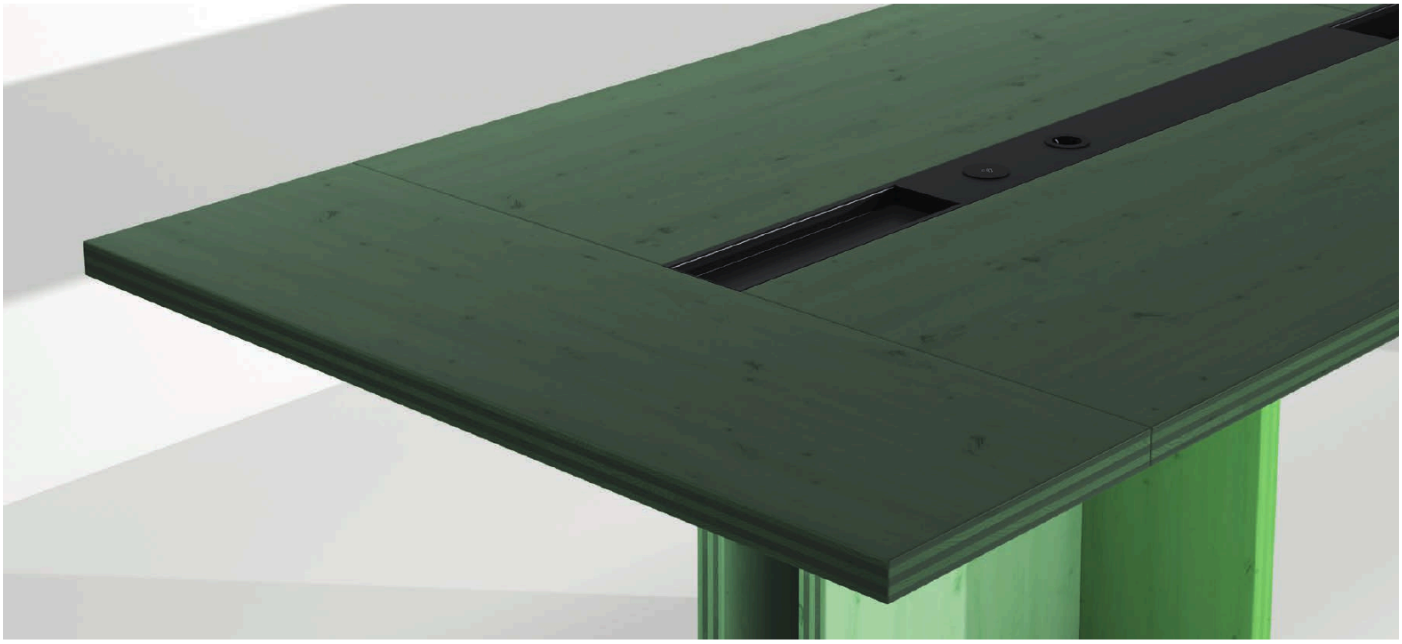

TIL Meet 500 — Width: 500 cm, depth: 122 cm, top height: 75 cm
Cable channel length: 420 cm
