CERTIFICATE

With this certificate Swiss Climate Ltd awards

Erich Keller AG

the quality label

CERTIFIED
CO_2 FOOTPRINT
by Swiss Climate

Swiss Climate Ltd, owner of the Swiss Climate CO_2 label, confirms the following:

The greenhouse gas inventory (carbon footprint) was established based on the data of the year 2022 according to ISO 14064-1 standard and follows the guidelines of the Greenhouse Gas Protocol. The above-mentioned organisation has a climate policy, identifies the main sources of emissions and defines specific measures to reduce CO_2 emissions. The commitment of the company is communicated internally and externally in order to inform key stakeholders and raise awareness.

Compliance with the guidelines for certification of the label has been audited and confirmed by SGS – Société Générale de Surveillance SA. This certificate is valid for 5 years, its requirements are verified annually in a control audit.

Validity of the label:	06.12.2023 bis 05.12.2028
Last audit:	06.12.2023
Registration number:	CH31B0224

Berne, 25.03.2024
