CERTIFICATE

With this certificate Swiss Climate Ltd awards

Erich Keller AG

the quality label

PRODUCT
CO_2 FOOTPRINT
by Swiss Climate

Swiss Climate Ltd, owner of the Swiss Climate CO_2 label, confirms the following:

The greenhouse gas inventory was established in accordance with the ISO 14067 standard for the year 2022 and follows the guidelines of the Swiss Climate CO_2 product label.

The CO_2 footprint covers the entire life cycle of the Talky S109 meeting box and was created according to the "cradle-to-grave" approach.

This label is valid for 1 year.
